

EN V Y M K I I

wall hung pan

ENVY MKII

wall hung pan
4.5/3 litre Dual Flush

Third in the Envy MKII WC series is the wall hung, a compact smooth sided pan complete with easy close toilet seat. This pan is highly water efficient and enjoys a WELS 4 star rating.

Code: PN300

Set-out Details

P - Trap: 215mm

Back Inlet Height

350mm FFL.

Seat

A heavy grade easy close seat with chrome plated, metal hinges.

Code: PN5111 (If required as a separate item).

Colour

White only.

Fixings / Brackets

Supplied with Fischer fixings, these are only suitable for use with brick or block walls or with chair bracket.

Where the pan is to be fixed to a stud wall or attached to a cabinet for undercounter cistern installations, a chair bracket can be used on structural slab flooring.

If a Geberit concealed cistern is being used it is also possible to use the Swissfix frame provided with the New Generation or Artline cisterns (please see Section 4.0 for details). For timber floor and other installation requirements please contact Parisi Bathroomware for clarification.

Code: GS FVA (for use with Brick or Block walls only).

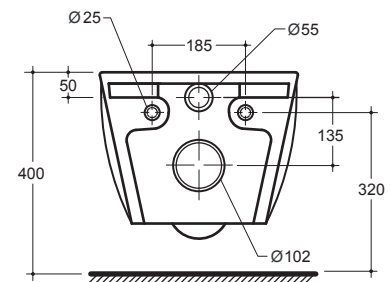

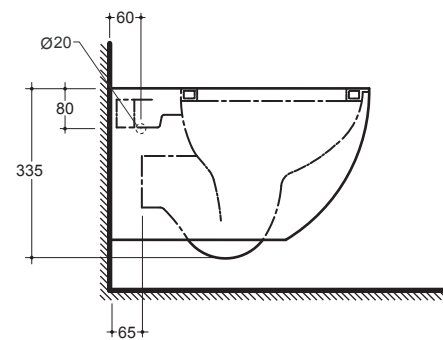

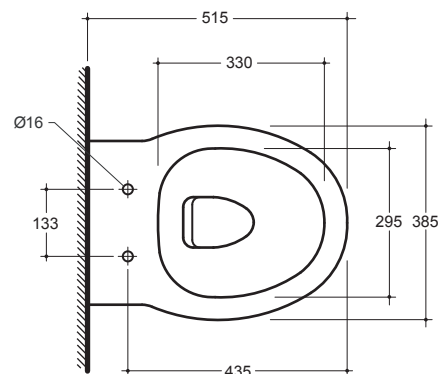

Code: SCB 011 (for use with Stud walls).

Installation Instructions

If the pan is being installed without a Geberit cistern the use of a 40mm European Kee Seal will be required (code: 119.668.00.1).

Packing Details

Pan 24kg, Seat 3kg. Supplied in one carton.
