

Modern Rainshower With Ceiling or Wall Arm

TECHNICAL SPECIFICATIONS

Installation Note for Wall Arm: Due to the substantial structure of the Rainshower Head, ensure shower 'riser' is securely anchored to the timber noggin prior to sheeting/tiling.

PRODUCT NO: **28368B**, Modern Rainshower Head only
 PRODUCT NO: **28497B**, Ceiling Arm for Rainshower / PRODUCT NO: **28576B**, Wall Arm for Rainshower
