

ELLISSE

wall faced suite

ELLISSE

wall faced suite
4.5/3 litre Dual Flush

Ellisse is an elegant suite with adjustable and universal trap set-out. Code: PN500-E

Set-out Details

S - Trap: 80 - 140mm (using GS0090 Collar adaptor with wall support supplied).

P - Trap: 190mm

Inlet Options

Seat

A heavy grade easy close seat with chrome plated, metal hinges.

Code: PN5160 (If required as a separate item).

Colour

White only.

Fixings / Brackets

Fixings are provided for connection of the cistern to the pan (the cistern does not fix to the wall). A pair of PVC floor fixing brackets are also supplied as standard with the suite. These are secured to the floor, which then enables the pan screws to be fixed to the brackets (in most cases these brackets are not required).

Installation Instructions

The pan can be fixed to the floor with a mortar mix of 3 parts sand to 1 part grey cement. The pan must not be fixed with lime, white cement or fast drying cement. To do so will void product warranty.

The pan can also be fixed to the floor with silicone, using the supplied pan brackets.
